Meeting at Catfish House
Hwy 431
Springfield, TN
Eat at 6:00 p.m., meeting
begins 7:00 p.m. on the
first Tuesday of every
month.

It's been a busy month for Donna and I. We just got back from our daughter's wedding. It was at Panama City Beach. Courtney has talked about wanting a beach wedding since she was eleven. We are proud to announce that we have a new son in-law, Michael Hudgens. He is from Springfield and is currently in the Air Force stationed in Little Rock.

There are several events coming during the month of November. The first being the Veteran's Parade on November 5th in Clarksville. We planning to meet up at McDonald's and leave at 6:00 headed for Skyline Lanes to put on the flags. The parade starts at 10:00. The group has been invited to participate in the pregame activities of the Austin Peay football game.

Later in the day, Chapter K in Dickson is having a "Womanless Beauty Pageant". They are serving pizza at 2:30 and the pageant starts at 4:00. It will be held at the Tennesco Community Center in Dickson.

The Tennessee District is holding an Officers Certification Program in Murfreesboro on November 5th and 6th. Donna & I went through the program a couple of years ago and learned quite a lot about GWRRA. I would recommend this to any member that is thinking about becoming more involved in GWRRA or would like to have a better understanding about the organization.

The annual Operations meeting is being held on November 19th in Murfreesboro. This is for Chapter Directors, Assistant Chapter Directors, Chapter Educators, Treasurers and MED Coordinators.

We will be participating in the Cross Plains Christmas Parade again this year. It will be December 3rd. The parade lines up at 8:30 in the same location as previous years. This is the subdivision about a mile east of downtown. The parade starts at 10:00 and candy for the children is encouraged by parade organizers.

Chapter P will not hold it's normal gathering in December. We will have our annual Holiday Dinner instead. The location and exact date has not been determined. We contact the members once it has been set.

Until next year,

Friends for Fun, Safety and Knowledge.

Educators Advice

By Robert Booher

KNOW YOUR RESPONSIBILITIES

- ◆ As a rider you can't be sure that other operators will see you or yield the right of way.
- ◆ Be Visible - Wear proper clothing, use your headlight, ride in the best lane position.
- ◆ Communicate your intentions - Use the proper signals, brake light and lane position.
- ◆ Maintain adequate space cushion - Following, being followed, lane sharing, passing and being passed.
- ◆ Scan your path of travel 12 seconds ahead.
- ◆ Identify and separate multiple hazards.
- ◆ Be prepared to act - Remain alert and know how to swerve to avoid obstacles.
- ◆ The ability to ride aware, make critical decisions and carry them out separates the responsible riders from the rest.
