

# 3<sup>rd</sup> Annual AL-TN Hamburger Run

Tennessee Gold Wingers meet Alabama Gold Wingers on Georgia soil

**GREAT BIG HAMBURGERS.**

These things are the size of pizza pans.

*In July of 2008 about 60 GWRRA members from the two states met for lunch. Last year about 300 members met for lunch. Parking space began to be scarce, but the parking lot sure was pretty with all those Gold Wings on it. The line for food got long, but the good humor and laughter was limitless. It might get crowded again this year.*

*But it was fun...so let's do it again!*
